

Dasharo Roadmap

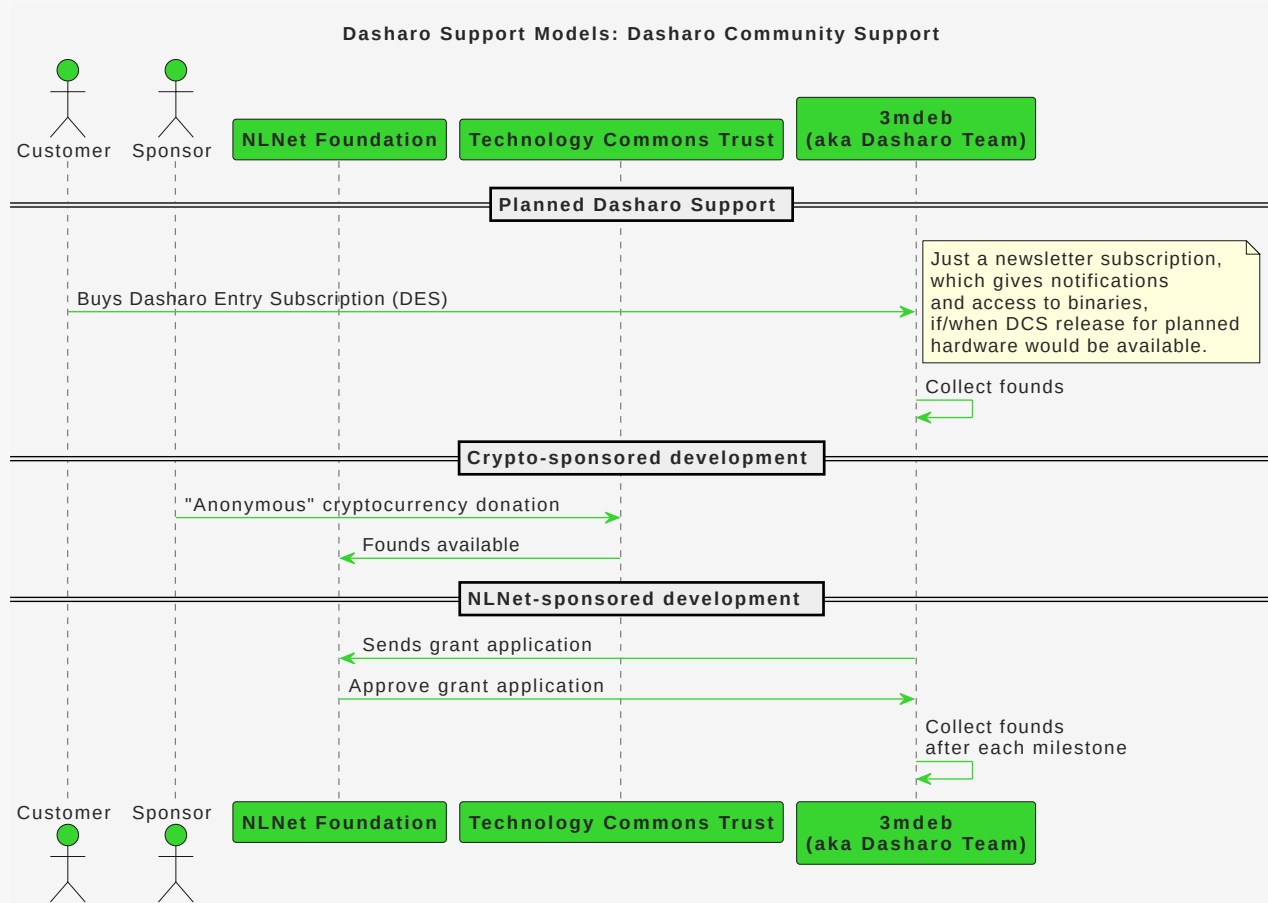

Please note that the roadmap for the Dasharo Community Support Program is subject to change and may not represent final release candidates or end of support dates. This roadmap is intended to provide guidance and direction for the program's development, but is not a guarantee of specific timelines or outcomes. For more information on release candidates or release dates, please contact the Dasharo Team directly.

- Dasharo can support hardware under following programs:
 - Dasharo Enterprise Package (DEP) - custom SLA agreement.
 - Dasharo Support Package (DSP) - annual support package with releases driven by customer.
 - Dasharo Community Support (DCP)
