The image features a dark gray background with the word "Questions?" centered in a bright green, sans-serif font. In the corners, there are decorative elements resembling circuit board traces or stylized lines. These lines are light gray and end in small, solid gray circles. The top-left corner has a vertical line that branches into two horizontal lines, each ending in a circle. The top-right corner has several parallel diagonal lines, each ending in a circle. The bottom-right corner has a few more diagonal lines ending in circles. The overall aesthetic is clean and modern, with a technological or digital feel.
